BAKUGAN MOBILE ASSAULT™

Bakugan Mobile Assault (BMA) are included in your force instead of a Bakugan Trap™ or Bakugan Battle Gear™ (max. of 2 vehicles).

At the start of a new game, place a Bakugan (Magnet side down) that shares an Attribute with the BMA, onto the BMA.

Roll the BMA and Bakugan® onto a card to begin a battle.

When in a battle, the Bakugan gains the BMA's G-Power only on the two types of Gates listed on the BMA's reference card. (Note: there are 3 types of gates - Gold, Silver or Copper.)

GOLD

SILVER

COPPER

If a battle starts on a Gate card that does NOT match one of the types listed on the reference card, the BMA is destroyed (removed from the game entirely); the Bakugan inside is put on the Gate card and continues to battle without the benefit of the BMA.
